Allowance

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

In the third and fourth lines of claim 23, the phrase, "an integrated controller comprising first logic sets for detecting and operating *said* first expansion card, second logic sets for detecting and operating *said* second expansion card" has been changed to -- an integrated controller comprising first logic sets for detecting and operating a first expansion card, second logic sets for detecting and operating a second expansion card --.

2. Authorization for this examiner's amendment was given in a telephone interview with Ed Pflieger on September 28, 2005.

3. The following is an examiner's statement of reasons for allowance: The examiner notes that none of the prior art of record discloses a system for reading smart cards with an integrated controller comprising a logic set for operating and detecting a first expansion card and logic set for operating and detecting a second expansion card; MUX logic to provide communication between the expansion cards and bus controller logic using conventional PC card communication protocol; and an adaptor providing compatibility for both a PCMCIA card and Smart Card.

Art Unit: 2857

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
